

A: Radiator mount	7/16
B: Body mount	1/2
C: Rear body mount	1/2 x 3/4
D: Hood latch mount	1/2 x 5/8
E: Hood shelf mount	1/4
F: Front fender bracket	3/8
G: Running board	5/16

The heavy dashed line shows a recommended location for the outer perimeter of a street rod frame. This allows extra room for modern engines and transmissions.

[illegible]
